Cost: \$20 (includes both sessions)

**Price cannot be split according to attendance.*

If you would like a [registration form](#), please email us at softball@lssu.edu

The **Laker Softball Staff** will be hosting a two-day clinic that teaches technique, drills, and knowledge of the game in all areas of softball. Coach Shimasaki will be introducing her staff with Coach Stein as the pitching coach and Coach Williams as the offensive specialist. Station work will encourage repetitive and quality behavior as well as break down aspects of the game that will create a more knowledge-based approach to performance.

For more information please call the softball office at (906) 635-2637.
